IN RE: WESTERN MINNESOTA MUNICIPAL POWER AGENCY	DOCKET NO. WRU-03-19
---	----------------------

SUPPLEMENT TO NOTICE OF HEARING

(Issued July 15, 2003)

On April 18, 2003, the Western Minnesota Municipal Power Agency (Western Minnesota) filed with the Utilities Board (Board) an application for waiver of the generating certificate requirements of Iowa Code Chapter 476A, Subchapter I (2003). Western Minnesota proposes to construct a 90 MW electric generating facility for peaking purposes in Audubon County near the communities of Exira and Brayton, Iowa. In its application at paragraph five, Western Minnesota referred to a transmission system impact study filed with the MAPP design review subcommittee. On July 2, 2003, the undersigned issued a notice of hearing setting the hearing in this case and directing Western Minnesota to submit certain information and be prepared to testify regarding certain issues. In addition to the information required in the notice of hearing, Western Minnesota is directed to file with the Board a copy of the transmission system impact study or studies along with any updates filed with the MAPP design review subcommittee.

IT IS THEREFORE ORDERED:

Western Minnesota must file with the Board a copy of the transmission system impact study or studies along with any updates filed with the MAPP design review subcommittee on or before July 22, 2003.
